Sponsorship & Student Opportunity

To,
Sir Visvesvaraya Institute of Technology,
Sinnar, Nashik Maharashtra.

Date: 08/04/2026

Dear Sir/Madam,
Greetings from **TenAI's Consulting India Pvt. Ltd.**

As part of our proposed Hackathon Collaboration, TenAI's is committed to empowering students with hands-on innovation experience, AI-driven thinking, and access to long-term growth opportunities including mentorship, internships, and career pathways.

As discussed, the following points outline the **student development opportunities and support initiatives offered by TenAI's Consulting India Pvt. Ltd.** as part of this engagement.

1. Accelerator Program Support: TenAI's will provide complimentary access to its **Accelerator Program for the top 2 winning teams.** This program is designed to help students develop their ideas for the future. It includes mentorship, product development guidance, and structured support.

2. Internship Opportunities: Participants who demonstrate strong potential and skills even if not amongst the final winning teams will be considered for internship opportunities through an interview and assessment process.

3. Support for Financially Deserving Students: The host college may recommend a **few financially deserving students**. From these, **TenAI's will select 2 students based on an evaluation and interview process**, considering performance and eligibility. Selected candidates will be **offered internship opportunities along with access to TenAI's Accelerator Program**.

4. Leaderboard-Based Career Opportunities: Students consistently participating and performing well in hackathons will be recognized through **TenAI's leaderboard and may receive internship or job opportunities through TenAI's Enterprise Partnerships**.

5. Industry Problem Statements & Consultancy Support: TenAI's can provide **consultancy to the problem statement sponsors** and can deliver **end-to-end solution development**.

We look forward to collaborating with your institution.

For TenAI's Consulting India Private Limited.
